<sup>\*</sup> Ganpomi is a patented adhesive sheet that can stick without tape.

#### | Patent No. 10-2085486

#### Non-harmful to human test results

# How to use Ganpomi

Cut Ganpomi little bigger than the product.

Cover the product you want to wrap with Ganpomi and press it to stick.

Press down on the area around the product and finish wrapping.

It is easy and safe to pack when you send package or make a second-hand transaction.
Also it's useful for storing unused products such as dishes and cups.

Wrapping up with only Ganpomi without tape! Can save time and money. Fast, safe and clean packing.

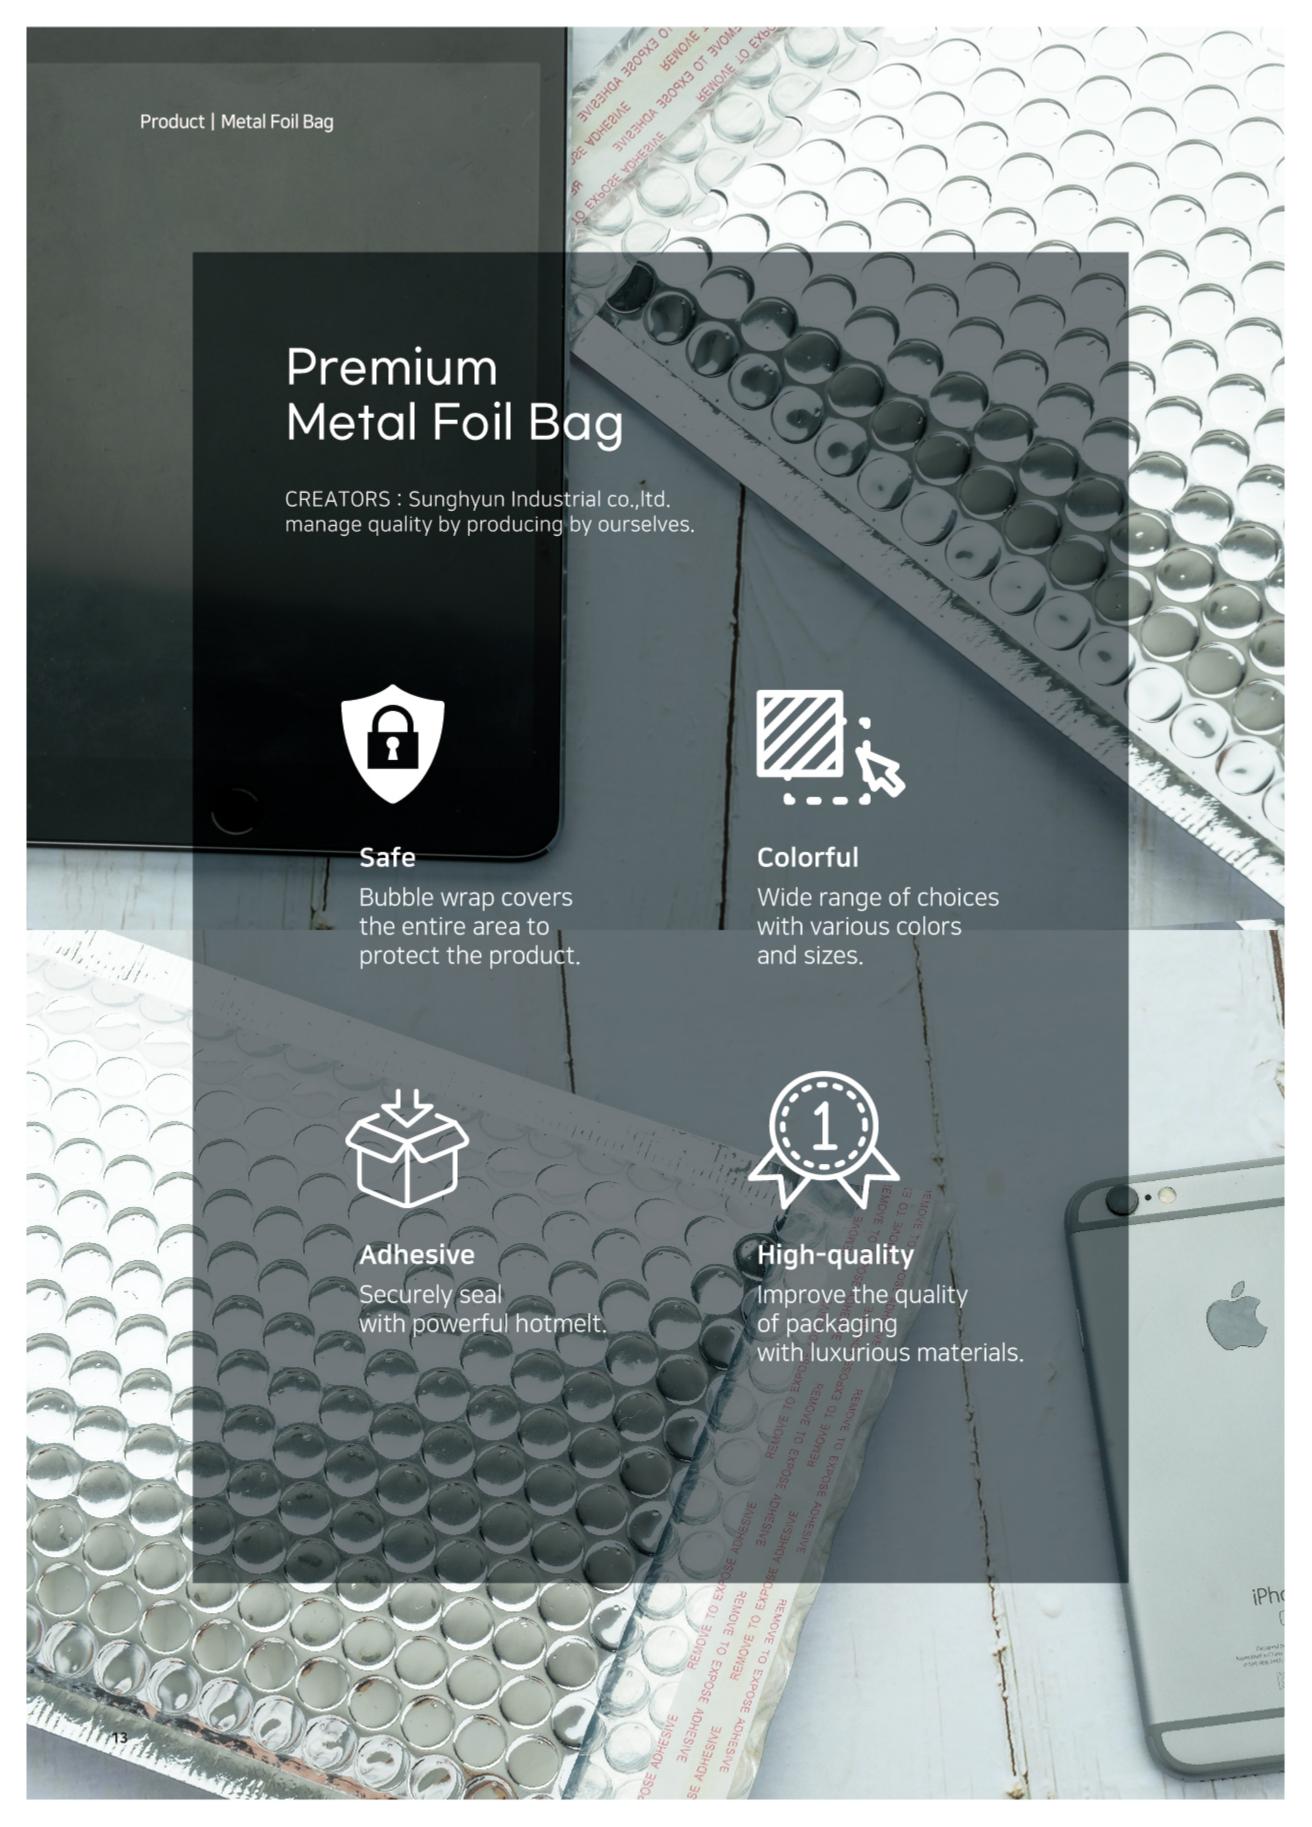

Good to pack small and dangerous things such as knives, scissors, and so on with Ganpomi. Laying the Ganpomi on the ground helps pleasant camping trip while preventing some of the cold air coming up from the ground.

Pack fragile items such as cosmetics, perfumes, etc. with Ganpomi and leave. If you pack souvenirs with Ganpomi, you can reduce the volume and make safe transportation.

Covering the side mirrors when parking in snowy area with Ganpomi help remove snow when driving.

#### **Metal Foil Bag** Size Guidance

The outer layer of the metal foil bag is made of soft, shiny, colorful material to express luxury, and the inner layer is made of Bubble wrap to protect the product from external shocks. Possible to customize and print (one print) according to your requirements. Sealed in a powerful hot-melted bond, the product is safely packaged and easy to use.

	Product name	outer diameter (mm)	internal diameter(mm)
	Metal No.1	100x150+40	75x145+40
	Metal No.2	120x180+40	95x175+40
	Metal No.3	150x230+40	125x225+40
	Metal No.4	180x230+40	165×225+40
Pouch	Metal No.5	230x180+40	205x175+40
	Metal No.6	200x250+40	175x245+40
	Metal No.7	220x280+40	195x275+40
	Metal No.8	250x300+40	225x295+40
	Metal No.9	280x350+40	255×345+40
	Metal No.10	300×400+40	275x395+40
	Metal No.11	350x450+40	325x445+40

Metal foil bags can be made in any size you want.

\* However, the width can be up to 960 (mm) in length including the flap area

Deep gold
